Recreate Course Agreement

AT TIME OF ENROLMENT

UWA Sport advises all participants to enrol early as places are limited. Full payment is required at time of enrolment. Your enrolment is not finalised until payment is received. Participants in intermediate or advanced courses may be assessed during their first week and requested to move to a more suitable course at the discretion of the course instructor. If minimum enrolments are not reached the course may be cancelled. If the course is cancelled, participants will be notified and options of course change, refund or account credit will be given. Information on all courses is available in the Recreate® brochures and on the UWA Sport website to help you make an informed decision prior to committing to the duration of the course.

AFTER ENROLMENT

Tours, Bronze Medallion and SCUBA Diving courses: no refunds or cancellations, exceptions for **emergency medical reasons only**.

Withdrawal or Switching Courses - Once you have enrolled in a Recreate® course you are able to switch courses or withdraw from your chosen course up until 72 hours prior to the first class commencing. If you switch courses to a course of higher value, you will be required to pay the difference at the time of change. If you withdraw from the course more than 72 hours prior to the first class commencing you can receive an account credit or full refund.

AFTER COURSE COMMENCEMENT

Withdrawal - If you wish to withdraw from your enrolled course after the course has commenced, a valid and substantial reason (medical and travel reasons only) must be supplied to UWA Sport management. Approval of withdrawal is at the discretion of UWA Sport management. You may be asked to supply a medical certificate or valid supporting documentation for your withdrawal. If you are approved to withdraw from the course, your account will be credited for the remaining unattended classes from time of withdrawal approval and not the full course amount.

CANCELLATIONS

Course Cancellation - If a full course is cancelled by UWA Sport management prior to the course commencing, you have the option of enrolling in a new course for the same time period and value, a credit allocated to your account, or you can choose a full refund.

Class Cancellation - If UWA Sport management cancels a class due to weather, instructor illness or other extenuating circumstances, you will receive a text message or email at least 2 hours prior to the class time, notifying you of the cancellation. Where possible, UWA Sport will endeavour to provide a make-up class. If a make-up class cannot be provided, or you cannot attend the make-up class, a credit will be added to your account at the end of the course. No refunds will be provided unless adequate reasoning is provided to UWA Sport management, and may be approved at their discretion.

REFUNDS

Unless previously and expressly stated, no refunds will be provided unless adequate reasoning is provided to UWA Sport management and may be approved at management's discretion. Refunds are by bank transfer or credit card.

ACCOUNT CREDIT

Account credit refers to a credit being applied to your UWA Sport account and not a bank account. Account credits can be used for future Recreate® courses only.
