

UWA Sport Fitness Centre Conditions of Entry

Management reserves the right to refuse your admission to the Fitness Centre, and/or cancel your membership, for any breach of these Conditions of Entry.

Access

- Only those with a valid membership or paid entry (casual visit, visit passes or personal training) may enter the Fitness Centre.
- A valid UWA Sport Fitness Centre membership card must be presented and scanned at reception before access is permitted.
- A class pass must be obtained from Reception to enter a group fitness class.
- Access to the Fitness Centre is only available during opening hours, as set by UWA Sport. Staff may, at their discretion, allow users access to the foyer or the changeroom before the Fitness Centre's opening time, but no access to the rest of the Fitness Centre will be granted until opening time. Prior to closing time, UWA Sport staff will provide a courtesy reminder and users will be asked to vacate the building at closing time. Users are not permitted to use the Fitness Centre, including equipment or changerooms, after closing time.
- Persons 16 - 18 years old are only permitted to enter the Fitness Centre with signed parental or legal guardian permission.
- Children under the age of 16 years are not permitted to enter the Fitness Centre without the consent of UWA Sport management. In addition to signed parental or legal guardian permission, children under 16 years of age must be accompanied by a parent or legal guardian at all times, who are required to hold their own membership. There is no fee reduction.

Use of Equipment and Facilities

- For hygiene reasons, all patrons of the Fitness Centre must bring and use a towel each session. Please wipe down equipment after use.
- Be mindful of other users and share the equipment. Allow others to work in with you where possible and during busy periods.
- Appropriate exercise attire and closed in shoes must be worn at all times in the Fitness Centre. Steel capped boots and thongs/sandals are not permitted.
- Return all weights to their appropriate storage rack after use. For safety reasons and the protection of the weights and equipment, please do not drop weights.
- Ask staff before moving any equipment in the Fitness Centre.
- No bags are allowed in the Fitness Centre. Please use the lockers or pigeon holes provided.

Conduct and Behaviour

- Abusive or offensive language or behaviour is not permitted, including swearing and spitting. People suspected to be under the influence of drugs or alcohol will be asked to leave. Any behaviour considered improper or disorderly or that may interfere with the health, safety, comfort or enjoyment of others will be acted on, and you may be asked to leave.
- The University of Western Australia is a smoke free campus. Animals (except guide dogs), glass, drugs or alcohol, are not permitted on the grounds or in the Fitness Centre.
- Bikes, scooters and skateboards are not permitted in the Fitness Centre. Bike racks are provided outside.

Health and Safety

- All users must only exercise if they are medically and physically fit to do so. Users must be capable of participating in activities in the Fitness Centre and meet the required experience and ability levels relevant to the use of any equipment, or attendance in any program or activity. Users are not permitted to use the Fitness Centre without medical clearance if they have pre-existing conditions or injuries that may be aggravated with exercise or affect their ability to participate safely.
- Let staff know if you see any faulty equipment, potential hazards, incidents or accidents in the Fitness Centre.
- All users must familiarise themselves with emergency procedures displayed throughout the Fitness Centre, and alert staff immediately should an emergency arise.

Release

- Users enter the Fitness Centre at their own risk and accept that UWA Sport management, its employees, contractors, agents and the University of Western Australia will not be liable for any injuries sustained at the Fitness Centre or any lost property, and consent to receiving any medical treatment staff consider necessary.
